

Become a Business Member Today!

The Branford Historical wants to invite you to be a new business member and to share in our efforts and joy in keeping the historic town of Branford's past alive.

With your membership, a free copy of a 1905 era poster "Bird's Eye View" of Branford with historical buildings will be hand delivered to you.

We will include your business in our business member's section on our web site, www.branfordhistory.org.

A guided tour of Harrison House and Barn can be arranged by contacting Anton Wolhert at 481-4665.

You will receive information in our Newsletter regarding our community programs and events held at Blackstone Library and the annual Strawberry Festival on the Branford Green each June.

We look forward to welcoming you as a new business member. Please complete the information below and mail it back to us with your donation to join our Society.

Sincerely,

Jeanne McParland
Membership Chair
